

MONTH OF MARCH

Fresh Start

REVELATION 21:5

March- Fresh Start

Revelation 21:5

Welcome to March, our month of “Fresh Start”. We thank God for the overflow of divine blessing and God’s promises for us since the beginning of the year: he started with us by promising us divine presence, moving forward, he then blesses us with the exceptional blessing of having a divine intimacy with him. This month of March, he’s ready to give us a fresh start in all our endeavors and everything that concerns and is connected to us. A fresh start connotes a new beginning. The scripture says, weeping may endure for a night, but joy comes in the morning- Psalm 30:5. Whatever struggle, toiling, and hard labor we might be going through right now, our father has promised us that an end has come to those situations in our lives, and he is giving us a fresh start that will result in a glorious ending. The potency and effectiveness of a word depend on the speaker’s identity. Our Father who promised a fresh start, he’s the God who calls things which do not exist as though they are- Romans 4:17, he spoke and it was done, he commands and it comes to pass- Psalm 33:9. Therefore, Our God is capable of giving us a fresh start for a new beginning and anointing our fresh start for liberation against evil plans and yoke that works to destroy the blessings of our fresh start.

CONFESSON:
