## FOR 2024

DECEMBER 1ST - 12TH, 2023

## October – Manifestation

---

The Month of October 2024 has been declared as our season of Divine Manifestation. In essence, Divine Manifestation represents the tangible expression of God love, might, glory and power in the lives of individuals or within communities.

To manifest is to make evident, to reveal, and to bring into existence. It is the process by which the unseen becomes seen, the intangible becomes tangible, and the potential becomes reality. Our faith teaches us that we are not mere spectators in the grand scheme of creation; rather, we are integral participants, destined for a divine manifestation. Apostle Paul in Romans 8:19 (NIV): admonish us that "For the creation waits in eager expectation for the children of God to be revealed." Paul speaks to a profound truth—that the entire creation, is eagerly anticipating a revelation, a manifestation of something extraordinary as we have seen the life Jesus our lord and savior. Christ performs His first earthly miracle—transforming water into wine at the wedding in Cana of Galilee. Through this miraculous event, God's manifestation is evident in eradicating the potential shame faced by the bride and groom by supernaturally providing wine, He provided abundantly beyond the initial shortage, suspended the natural laws governing the winemaking process, illustrating His authority over natural laws and His ability to intervene for the sake of His people when they ask and believe. God manifested His glory by responding to Mary's call for help with the provision of new wine, symbolizing a new beginning. The failure of the initial wine created an opportunity for God to perform a miraculous intervention.

As we journey through 2024, God want us to manifest our God giving abilities to show forth his glory. So let this be a year of revelation, a year of uncovering the latent potential within each of us. May our lives be a testament to the glorious manifestation of God's love, grace, and power. Together, let us walk in faith, expecting miracles, and living as the children of God we are destined to be.

**CONFESSION:** For the creation waits in eager expectation for the children of God to be revealed. (Romans 8:19).
