FOR 2024

DECEMBER 1ST - 12TH, 2023

November – Beholding

Welcome to November 2024, our prophetic month of Beholding.

Our anchor text for month comes from the apostle Paul's letter to the Corinthians, 2 Corinthians 3:18, where he writes, "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord."

Beholding, as described in this scripture, is more than just a passive act of looking; it's an intentional and transformative engagement with God of heaven. It is a process by which we fix our gaze upon the glory of the Lord, and as we do, we are changed from glory to glory.

Paul begins by highlighting the necessity of having unveiled faces. Paul, however, speaks of removing the veil when we contemplate the Lord's glory. In the same way, as we step into 2024, let us cast aside any veils that may hinder our perception of God's goodness, grace, and sovereignty. Let our faces be unveiled, our hearts open, and our spirits receptive to the transformative work of God in our lives.

Beholding requires a deliberate focus on the glory of the Lord. In the busyness of life, it's easy to lose sight of His majesty, but as we intentionally fix our eyes on Him through prayer, worship, and studying His Word, we position ourselves for transformation. The glory of the Lord is a radiant light that dispels darkness, brings clarity to confusion, and imparts hope to the weary soul.

The promise embedded in this scripture is that as we behold the Lord's glory, we are being transformed into His image. Transformation is a journey, not an instantaneous event. The Lord, who is the Spirit, works within us, molding and shaping us into reflections of His love, mercy, and righteousness. This transformation is not static but continuous, moving from one level of glory to another.

As we step into the uncharted territory of 2024, let us be a people who behold the Lord with unveiled faces, contemplating His glory. Let this be a year where our vision is saturated with the beauty of His presence, and in doing so, may we be transformed into His image. Embrace the journey of beholding, for it holds the key to a year filled with purpose, growth, and divine encounters.
