

ARMOR *up*

FOR 2024

DECEMBER 1ST - 12TH, 2023

February – Consecration

Embarking on the journey of the year 2024 is like stepping onto the first rung of a ladder. Yet, as we ascend into the new year, God is calling us into a year of total transformation in all areas of our life. To grasp this divine calling, certain conditions need to be met, and the foremost among them is a higher level of consecration. Look no further than the life of Paul to witness this truth.

Consecration to Christ means that you are completely immersed in Him. True consecration is really lacking these days. Many people are holding onto Jesus with one hand and the world with the other. How can you explain a Christian who claims to have given his life to Christ and consults a witch doctor over a negative situation that has lingered for a long time?

To be sanctified is to be separated into the process of becoming like Jesus Christ in character (2 Cor 3:18). Sanctification helps believers to live a holy life.

Paul said, "I am crucified with Christ; nevertheless, I live, yet not I, but Christ liveth in me, and the life which I now live in the flesh I live by the faith of the Son of God, who loved me and gave himself for me" (Gal 2:20).

In conclusion, consecration is the foundation for prayers that command answers from heaven (John 3:3). You must endeavor to work out your sanctification.

CONFESSION: Consecrate yourselves, therefore, and be holy, for I *am* the LORD your God. (Leviticus 20:7)

SCRIPTURES: Gal 2:20, Phil 1:21, Rom 12:1-2, I Con 9:16, Joel 2, 15 -17 Tim 2:21 Phil 2: 5-8
