## FOR 2024

## June – Sufficient Grace

---

Welcome to June! The month signifies the half of the year, and the middle represents the center, disclosing both our progress and potential journey ahead. At this crucial juncture, we stand at a crossroads, capable of moving either forward or backward. In Luke 9:61-62 Jesus advises us against looking back, emphasizing its hindrance to our divine transformation and the blessings that God has prepared for us in 2024 and beyond.

Therefore, June, positioned in the middle of the year, is proclaimed as the month of "Sufficient Grace." God's grace, a formidable force, transcends limitations and bestows testimony irrespective of one's spiritual status, level, or power. Sufficient Grace is a beacon of hope, a balm for the wounded soul, and a source of strength for the weary heart. As we stand on the brink of a new year, we should reflect on the significance of this grace that sustains us through every season of life. It is a grace that enriches, eliminates poverty, and conceals our weaknesses (2 Cor 8:9, 2 Cor 12:9). This Godly virtue fortifies us in the face of adversity.

As we journey into the new year, may our hearts be open, our spirits receptive, and our minds attuned to the whispers of grace as we navigate the path that unfolds before us. Let us begin this journey with faith, anticipation, and a deep desire to embrace the sufficiency of His grace in our lives.

**CONFESSION:** And He said to me, “My grace is sufficient for you, for My strength is made perfect in weakness.” Therefore, most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me. (2 Corinthians 12:9).
