## FOR 2024

DECEMBER 1ST - 12TH, 2023

## July – Endless Praise

---

Praise God! Praise is giving honor to those to whom honor belongs. Praises are often rendered to someone who has done something significant for us. Praise is the total consecration of one's worship and thanks in exchange for the help that was given to us. Therefore, giving praise comes with a tangible or intangible testimony. In this case, the praise is to God and not to man.

July 2024 has been declared as our prophetic month of "Endless Praise." Endless Praise equals endless testimony. He who gives praises to the all-sufficient God will be basking in all-sufficient breakthroughs. God deserves our endless praises because He has blessed us with every spiritual and physical blessing in the heavenly places for endless testimony since the foundation of the world. The call to endless praise is a call to enter a month of endless breakthroughs in all ramifications of life. David gives endless praises, and to this day, we are still counting the blessings of the house of David.

We should also understand that the beauty of endless praise lies not only in the melody of our words but in the posture of our hearts. Just as David, the Psalmist, sought to bless and praise the Lord every day, so too are we invited to cultivate a spirit of perpetual worship. In this pursuit, we find not only a divine command but a gateway to boundless blessings—a pathway to unlocking the fullness of God's favor and grace in our lives.

As we journey through the year 2024 and beyond, let "Endless Praise" be our anthem, our declaration, and our lifestyle. May it be the foundation upon which we build our days, the rhythm that propels us forward, and the melody that echoes in the chambers of our hearts. Through every joy and trial, let our praise be unwavering, our gratitude unending, and our worship ceaseless.

**CONFESSION:** Every day I will bless You, And I will praise Your name forever and ever. (Psalm 145:2).
