

ARMOR up

FOR 2024

DECEMBER 1ST - 12TH, 2023

September – Remembrance

Welcome to September 2024, our prophetic month of Divine Remembrance!

In our anchor text of the month, the scriptures say, "But God remembered Noah and all the wild animals and the livestock that were with him in the ark, and he sent a wind over the earth, and the waters receded." This simple yet profound sentence captures a moment of divine intervention, a moment when God, in His infinite wisdom and mercy, remembered His covenant and acted on behalf of His faithful servant Noah.

As we look forward to the new year, the concept of divine remembrance serves as a beacon of hope and assurance. It reminds us that our God is not a distant and indifferent god but a Father who intimately knows and cares for His children. In times of trial and tribulation, in moments when the floodwaters of life threaten to overwhelm us, we can take solace in the truth that God remembers His promises and His people. He remembers each one of us that we carry with us the assurance that the God who brought Noah through the floodwaters is the same God that will walk with us through the uncertainties of life in the coming year and beyond.

In the coming year, let us hold fast to the truth that God remembers us in our joys and sorrows, in our triumphs and challenges. His remembrance is not passive but active, prompting Him to act on our behalf, just as He did for Noah.

may know him, and the power of his resurrection and the fellowship of his sufferings, being made conformable unto his death "Conformable" means to be obedient or submissive. We must submit ourselves completely to everything God, the Son and the Holy Ghost wants.

CONFESSIOIN: Then God remembered Noah, and every living thing, and all the animals that *were* with him in the ark. And God made a wind to pass over the earth, and the waters subsided. (Genesis 8:1).
