October 2026–Divine Sufficiency 2 Corinthians 9:8

Welcome to the month of October 2026, our **Prophetic Month of Divine Sufficiency**.

As we look ahead to October 2026, we prepare our hearts for a season of **Divine Sufficiency**. The Word of God assures us that He is able to make all grace abound toward us, so that we will always have all sufficiency in all things and abound unto every good work. This month ahead will remind us that our source is not our strength, resources, or circumstances, but the endless supply of God's grace.

In October 2026, we will step into a fresh revelation of God's provision—where lack will give way to abundance, insufficiency will yield to supply, and every good work assigned to us will be fully resourced by heaven. As we continue through the year, we trust that God will meet every need, empower every vision, and establish our works for His glory.

CONFESSION: *I confess that God is able to make all grace abound toward me. In October 2026, I will have all sufficiency in all things, and I will abound in every good work. I walk in divine provision, supernatural supply, and heavenly support. My life will not lack direction, provision, or strength, because the Lord my God is my sufficiency.* — **2 Corinthians 9:8**
