## November–Divine Service

Galatians 5:13

**Welcome to the Month of November 2026 our prophetic month of Divine Service!**

As we journey deeper into the year 2026 and begin preparing for the close of the year and the seasons ahead, the Lord is calling us into a deeper commitment to **Divine Service**. The Word of God declares in **Galatians 5:13**, “*For, brethren, you have been called unto liberty; only do not use liberty for an occasion to the flesh, but by love serve one another.*”

This month reminds us that our freedom in Christ is not for self-promotion but for selfless devotion. We are saved to serve, blessed to bless, and empowered to impact the lives of others. As we prepare for the coming year, God is aligning our hearts to walk in love, humility, and obedience, using our gifts to advance His kingdom and bring healing to our world.

In this season, we commit ourselves afresh to serve God wholeheartedly—within our families, the church, our communities, and our vocations. Divine Service positions us for divine lifting; as we pour into others, heaven will pour into us. Let year 2026 be a time of renewal, rededication, and joyful service that prepares us for greater assignments ahead in Christ.

**CONFESSION:** *I declare that I am called to serve through love. I will not use my liberty for selfish gain, but I will yield myself to God as a vessel of service. My service brings glory to God and blessings to people, in Jesus’ name. — Galatians 5:13*
