September–Divine Restoration

1 Samuel 30:8

Welcome to the Month of September 2026 our prophetic month of Divine Restoration!

This scripture assures us in **1 Samuel 30:8** that restoration is God's will for His people. Whatever has been lost to time, error, delay, or spiritual battles is not gone forever. As David pursued under divine instruction, he recovered **all**—nothing missing, nothing broken. In the same way, this month is set for divine recovery and complete restoration in every area of our lives: health, family, finances, purpose, relationships, and spiritual strength.

September calls us to seek God's direction, move forward in faith, and believe for supernatural restoration. As we pray, trust, and act in obedience, we shall overtake every limitation and recover every promise assigned to us for 2026.

As we journey through the year, we boldly declare that whatever has been stolen shall be fully restored; every delayed blessing shall be recovered; all that has been broken shall be repaired by the hand of God; and everything that has been lost shall be returned to us completely. Year 2026 will be marked by divine restoration, total recovery, and supernatural turnaround in every area of our lives, in Jesus' name.

CONFESSION: *I confess today, according to 1 Samuel 30:8, that as I seek the Lord and move by His instruction, I will pursue, I will overtake, and without fail I shall recover all that has been lost or delayed in my life. By the power of God, I walk into September 2026 with confidence and expectation, knowing that this is my season of total recovery and divine restoration, in Jesus' mighty name. Amen*
